An evocative concept that captures the natural and organic aspect of the material, with the idea of subtle and discreet harmony combined with the concept of wabi-sabi.

TRANSIT

A high-angle, close-up shot of a person's shadow cast onto a light-colored, square-tiled floor. The shadow is dark and elongated, showing the silhouette of a person in motion, with one leg forward and arms slightly bent. The tiles are separated by thin, light-colored grout lines. The lighting is bright and directional, coming from the upper left, creating a sharp shadow. The overall tone is minimalist and architectural.
